SYNTHESIS

My focus today is to have experience in the job market, therefore, becoming a great employee for the company that will give me this opportunity.

I have total focus on what will be proposed stop me to do, putting into practice all my knowledge to do the last task and if, I do not know enough, I will learn more about it.

EXPERIENCE

desenvolvdor web

i did several projects for the courses i did and projects on my own - are carlos

EDUCATION

Computer technician, 2022

Etec Paulino
